

CYBERGAMES: LUNCH & LEARN

Stop the Scammers:

Ever wondered how scam centers operate? We'll pull back the curtain with eye-opening videos that expose how phishing, vishing, and smishing attacks work—so you can spot scams before they catch you!

Interactive and Fun:

Not a boring lecture! We'll have interactive quizzes, gamified training, real-life scenarios, and prizes for top performers!

Free Food:

Enjoy a delicious taco bar with all the fixings, featuring tasty sides from great local vendors. Come for the cybersecurity insights, stay for the tacos!

No Tech-Speak Here:

We'll break down complex security concepts into language anyone can understand, so your team can take action right away.
