# DRIVE THROUGH SENIOR EXPO

As I work to stand up for conservative values in Harrisburg such as defending Second Amendment rights, fighting runaway inflation, supporting our local businesses and farmers, and more, I hope that you and your families will join me for a free **DRIVE-THROUGH** Senior Expo. Seniors citizens who go through the expo line will receive favor bags that include a coupon for a free ice cream sundae provided by our new hosts, **ROHRBACH'S FARM MARKET**, and important information about government services, health care, fraud protections, veterans programs and so much more.
