## *Cardinal Estate Planning Workshop*

Please join us at Old Forge Brewing Company for an informational session on Estate Planning by Attorney Nicholas Lutz.

During this event, top estate planning attorney Nick Lutz will detail the three steps involved in protecting your assets: knowing the rules, knowing the threats, and knowing your options.

A lifelong resident of Pennsylvania, attorney Nick Lutz focuses on elder law, asset protection, estate planning, and closely related practice areas. Over the course of his career he has helped hundreds of families in northeast and central Pennsylvania protect their assets from nursing home costs and enjoy the peace of mind that comes from having a comprehensive estate plan in place for the future.

Nick founded Cardinal Estate Planning to create a boutique environment dedicated exclusively to meeting the short- and long-term planning needs of the community he calls home. He takes a highly personal approach to the practice of law and can be described as a “family counselor for life.”

Nick earned his law degree from the University of Pittsburgh School of Law. He also earned an MBA from the Joseph M. Katz Graduate School of Business at the University of Pittsburgh. Nick received his undergraduate degree from Wilkes University. He is a member of numerous professional organizations, including the [National Academy of Elder Law Attorneys](#) (NAELA) and [Lawyers With Purpose](#) (LWP).

You’re welcome to bring family members or a guest (or two!) to take part in this informative event. Lunch will be provided.
