The Chamber's premier event of the year, the Holiday Open House, is just around the corner. While this year's event will look different than our traditional gathering, we're still looking forward to an enjoyable evening of food, drink, connecting with other area professionals, and a celebration of the season.

Many more details to be announced, but in the meantime, please save the date for Dec. 2nd.

Sponsorship and registration information will be announced in early November.

Thanks to the following sponsors that have already committed to supporting this event as part of their all-inclusive membership packages:
